General portorage duties including movement of furniture and equipment within the school. In this poll, 62 percent of adults said that sharing household chores is very important to marital success.

It found that women spend an average 10 hours per week on household tasks, while men spend 7. These findings upend conventional wisdom about the value of communication between working partners: the absence of communication in certain domains may be an indicator of a healthy and efficient partnership in which spouses display mutual respect. Dig deeper into the numbers, and Of Domestic Duties look worse: according to some studies in heterosexual households where the woman is the main breadwinner, the more she earns, the less her partner will contribute to the housework. Not surprisingly, when women stay home or work fewer hours, they do a bigger share of the housework. Last year, studies have shown that on an averageday, 83 percent of Of Domestic Duties factors associated with intimate partner

violence include husbands being unemployed, belonging to a lower socioeconomic group, poor educational status, and alcohol and substance abuse. In the Human Rights Commission of Pakistan reported cases of domestic violence, due to which around women died during an 8-month period.
