He contributes to knowledge management and organizational learning publications and presents very frequently at leading professional management conferences. Review quote "One of the more interesting and creative management books of the past few years, The Springboard reflects Denning's strong belief in stories as encapsulated knowledge and his own stories about the World Bank are strongly illustrative of his own passion and knowledge. Bestselling Series. Danesh,S. Mark W. The visuals must be of knowledge claim and meta-claim networks, which, of course would include social networks, workflow networks, and any other knowledge claim networks expressed in the organization in question.

MarchJ.NowStephenDenning,aninnovatorinthenewdisciplineoforganizat Plus. However, this may not have a uniformly beneficial effect on knowledge processing and its outcomes.
