Keywords: Magic Shop, character traits, roles, negotiations, inner and outer life transformations. It is also a very important aspect in communication, verbal and not verbal,

formal as well as informal, in couples and in groups, in peacetime and in wartime. The present study is the first of its kind and could prove significant in the planning of therapeutic interventions at different stages of recovery. Seducers of women, scourged around the trench in the opposite direction. After the theatrical performance was represented in two public theatrical spaces under the patronage and co-promotion of the Municipality of Pistoia. In this workshop we will present the application of a psychodramatical strategy to improve the interpersonal relationship between two protagonists whether or not in conflict.
