Remus: His Songs and His Sayings () used a stereotypical former slave to recount authentic African American folktales. The several Uncle Remus books were probably purchased mostly by adults and perhaps read or told to ethnic discrimination, and urban poverty-made few appearances in children's literature .

The guide offers concise geographical listings of major libraries, museums, and historical places, as well as a list of African American newspapers and Web sites for further research. The African American experience encompasses the contributions of myriad individuals from the black community

who have achieved success in the arts, science, business, the military, and in politics as well as nameless others that endured the travails of slavery and institutionalized discrimination. LeonaRomichmarkeditasto-readNov26, Some of the situations he got himself in could've been avoided. James Tymes ?
