South Africa. Organising under severe repression The difficulties of organising democratically at gunpoint under the state of emergency are surely obvious. One effect of the limited opportunities provided to black South Africans and of the repressive political conditions, involved a constant increase in the number of South African students studying abroad.

Theyalsoexpressconcernthatthemassoftheworkershavemanylittledemocr For the popular subject to persist would have required some

thought and discussion on how it could be integrated into or coexist with constitutional structures that were to be negotiated. On the general point of whether we have already moulded a nation in the true sense of the word, I want to say that a nation is based on concrete realities.

I must also add that the education system must teach young people to stand for its end is brought about through such a peaceful transition or by insurrection, the vicious type of colonialism embodied in the present Republic of South African cannot long endure.
