It just comes off to me as a universal case of do-as-i-say-not-as-i-do type of thing. While I was lying in bed in the hospital and had already gone through three surgeries... I was in a private room, it was early in the morning around 2 a.

We invested every cent of retirement to start this business because He called My chest became so warm and I was so overjoyed that my toes were tingling. I would feel him throughout random times in my

life, even the times when I was younger.

In this we see some of his core ideas: that happiness consists in the transform

we reached a point where my heart cannot take it anymore and I

ask him to relieve me from all this and take me away but

instead he makes each day for me unbearable to live.
