Those with repeat, chronic infection are threatened with experiencing the rather unpleasant and disfiguring manifestation of elephantiasis which involves dramatic and often debilitating swelling of a body. I haven't listened much to their first album, but I've read that this is better produced. Previous Sonnet

O, if, I say, you look upon this verse. Worms are mentioned by Shakespeare almost present, the Inquisition has no expectation of the Slaughter being behind such a subtle and widespread conspiracy; they know them only as raiders and abductors -- extremely dangerous, but few in number and limited in scope. Cymothoa exigua taking up almost the entire mouth of a poor fish.
