Not you? In a series of 50 accessible and lucidly written essays, Ben Dupre introduces and explains the problems of knowledge, consciousness, identity, ethics, beliefs, justice, language, meaning and aesthetics that have engaged the attention of thinkers from the era of the ancient Greeks to the present day. Admittedly, their jokes were crude and terrible and they had some suspect laws and traditions, not to mention fashions, but for me they were more similar to the way we live now in terms of intellectual curiosity and society than the people who came after .
