Done Editing Tags. Each side fed air to three engines. We did that with the SR but that was a much smaller aircraft as well as a very limited production run.

This is a comprehensive and highly emotive volume, borne of years of intensive

It was during this period that he was contacted by Ian Allen Ltd to write the first ever history of this classic De Havilland type. On one occasion Ship 1 had to be landed on a dry lake bed with one of the main gear only partially extended, nearly resulting in the loss of the aircraft. Return to Book Page.
