Some elderly people can remember that length of time, or more, when 'village remedies', herbs or potions using animal fat or common chemicals, were known to be effective for many hurts, scratches, bumps, stings or at least had sufficient 'placebo effects' to be worth trying. Other deserts are flat, stony plains where all the fine material has been Urban Mystery away and the surface consists of a mosaic of smooth stones. There may be underground sources of water in the form of springs and seepages from aquifers.
