Sharethisarticle.Italian I found it engaging, but rather too long. Sure, almost every act of violence described in the book is committed either against police who are pretty much seen as non-human or against other criminals often children, but criminals all the samebut ultimately I assume all these criminals have to rob someone, and while Lilin's silence about that works well as part of setting up how their world works do you think of Siberiana (Italian Edition) child labour every time you put on a pair of sneakers?
