Instead try and think best case scenarios. Life is really overwhelming to me, and piling MORE tasks I have to do on top of that makes it even worse.

So I did have a nice stretch of no contact—about a year or two of absolutely no phone. Thank you very much for writing this, it is always refreshing to see someone has a struggling mind like many people, except that you care to expose your dialogue. Even my husband said it is too late for me to do anything to change my life. Basically I just exist. And other people have a way of snatching those meanings out of your hands and telling you to STOP. I can manage .
