Specifically, they believed the appearance of the stag was a sign that one had transgressed a taboo against the gods and that sightings of the creature foretold imminent death. The touch of their tentacles can cause paralysis.

The most majestic animal of all. My wife, Irene, was almost hysterical when she saw the gigantic corpse. The Others Like all children, they love, laugh, and have goals and dreams. Pit Fiends are lawful-evil, have spell-like abilities, give you infernal wounds, and they only need to hit you once to make you continuously take damage.
