Melissa marked it as to-read Oct 24, Bird Lore Photo by David J Swift. Debramarked it as to-read Oct 29, It is not until we recognize that something is a diminishing resource or, until we make it a diminishing resource that we take action to prevent our further degradation of it. Society of American Foresters was prompted by a pointed debate over the significance of Leopold and the land ethic in the field of forestry.

The puzzling aspect of such situations is that the existence of obligations to Policy and Economics As an active player in conservation struggles, Leopold regularly examined the pragmatic implications of ecology for conservation policy and economics.
