Though the book has a copyright date of here I am 6 years later and just now reading it! I have plenty of close friends and relatives, but none of them will quit their jobs and travel the world with me. I desperately needed help in increasing my credit score to be able to obtain a new place to live and pay off medical bills that was killing me from critical PTSD disability government very low income.

Based on research by Duke University and the University of British Columbia, In other words, if I had K, when deciding on renting or buying, I would have to consider the return of the home allowing for all the things you mentioned – tax breaks, etc but you should also consider the return of the stock market or any other asset you choose to use the money on instead of a home. Because sometimes they do have to go in the end. Colin, Interesting reply.

By 42 I will have my first home paid off and solid rental income a month. Again, what if this person gains and that person loses? Ask yourself, what am I working for?
